S5/6 First Aid Training

Dear S6 Pupil

We have arranged an opportunity for all S6, and some S5 pupils to complete an SCQF level 6 First Aid at Work qualification.

This qualification will not only help you develop knowledge and skills required to deal with a range of first aid situations, but also provide you with a qualification which is highly desirable to employers.

The training will take place on either Friday 25th August or Friday 1st September, and takes the full day to complete (including assessment) starting at 8:50am. The training will take place in the gymnastics gym in the PE department.

Please check the lists outside the school office, and on the S5/6 Teams page for the date that you will complete your training. If this does not suit, please see me to swap dates. Please also speak to me if you are due to attend college or consortium so that alternative arrangements can be made.

We hope that all pupils will take up this opportunity, but if you do not wish to do so please see me so that your place can be re-allocated.

If you have any questions, please speak to Mrs Abercrombie or myself.

Regards,

Mr Dunlop
Depute Head Teacher
Senior House
