S4 Street League

Dear Parent/Carer

Your child has been selected to take part in the Street League programme on a Tuesday afternoon from 14:00-15:40.

The interactive session is aimed to support our young people to transition from school to the world of work. Pupils will develop essential skills which they can take into the workplace through sport and fitness activities with a qualified member of the Street League team.

This is a fantastic opportunity which can open up multiple pathways on which our young people can progress, such as moving into a Modern Apprenticeship or a College placement.

We have confirmed with your child's teacher, that their participation in the programme will not impact on the completion of the subject that they have on a Tuesday afternoon.

The first session will begin on **Tuesday 8th March** and will run for 12 weeks (not including the Easter holidays). Your child should bring their PE clothes which they should change into at lunchtime.

If you have any questions, please do not hesitate to contact me on 0300 300 1300.

We look forward to seeing your child progress throughout the programme.

Kind regards,

Hayley Balfour
