Dear Parent/Carer

Due to ongoing Covid-19 restrictions and feedback from Parents/Carers we are reviewing our approach to Parent's Evenings this session.

In place of traditional face-to-face, in school Parent's Evenings with paper-based appointment booking we plan to trial the use of an online platform which facilitates both online booking and video meetings.

The platform we plan to trial (Parents-Booking.com) has been used by other schools in the Local Authority who have received positive feedback on how accessible and easy to use the platform is.

The timings of Parent's Evenings will remain the same (4-6pm). Information on how to access the platform will be shared ahead of the first Parent's Evening, including a video guide.

We are keen to ensure that as many Parents/Carers as possible can access and engage with the online Parent's Evenings, so would be grateful if you could complete the short survey [here](#).

Regards

Mr D Dunlop
