## **S1 Full Report**

Dear Parent/Carer

The S1 May report is now available electronically on ParentsPortal today, Tuesday 23<sup>rd</sup> May. Pupils will be provided with paper copies of the report during period 4 tomorrow.

This report, will give levels within the Broad General Education, which your child is currently working at and ratings on Effort/Behaviour and Homework completion for each subject. These working levels are generated from tracking your child's performance in S1 and how they are progressing.

During the Broad General Education (S1-S3) pupils continue to work through Curriculum for Excellence levels. Within each CFE level, here are 3 ratings for progress. Please find further detail regarding their level and ratings enclosed with the report.

This report also includes an action plan comment by each of your child's teachers to provide feedback on their current progress and the next steps to improve.

Please note that working levels and progress may vary across subjects dependent on the coverage of curricular areas.

A text message containing a link to a Microsoft Form will be sent to you to allow you to pass on any feedback or ask any questions you may have regarding your child's report.

## The Broad General Education (BGE)

In the BGE, our pupils cover the experiences and outcomes across 4 different levels.

Pupils will work through the experiences and outcomes and may achieve levels at different stages in their school career.

Most Castlehead pupils will be working their way through level 3 or 4.
