Introduction

Activities / Events Days 2027

Hello all CHS pupils and parents...

Staff from across the school have been working tirelessly to organise events, trips and activities that we hope our pupils will appreciate and enjoy.

Trips will take place on Monday 28th of June

Please take the time to look through this booklet and read the information which has been provided. Once you have looked at all the options you can then choose which activities you would like to participate in.

You will notice that there is a maximum number of pupils that can participate at certain events. This is mainly due to Staff v Pupil ratios and available transport (coaches etc). Some activities are restricted by age, regulations and type of event.

The last page of the booklet includes a link for pupils to make their choices. Trip leaders will organise meetings to decide who is going on their trips, if selected numbers are higher than event limit, and to provide further information.

It is strongly advised that all pupils consider the options and sign up for one of the trips. We hope that all pupils find something that appeals to them.

PLEASE SPEAK TO MR ANDERSON, YEAR HEAD or PASTORAL TEACHER IF THERE IS ANY CONCERNS REGARING FINANCING ANY OF THESE TRIPS.

OPTION 1

Maximum 40 pupils.
